

Diploma of Management

General Description

The Diploma of Management reflects the role of individuals who are engaged to manage the work of others or to add value to or review management practices. Their role may be in any industry or organisation setting. Typically people in these roles will have considerable experience in their respective industries or vocational areas and couple an informed perspective of the specific work requirements with their managerial approaches.

Customisation

This qualification is run in-house for your organisation and is fully customised to achieve measurable outcomes for your company. Please discuss your requirements with one of our consultants.

Units of Competency

This qualification is made up of eight (8) units and can be packaged to specifically meet the work outcomes of the managers in your organisation. The following is an example of how this qualification can be packaged. However, there are many units to choose from and this is for illustration purposes only.

Core

BSBFIM501A	Manage budgets and financial plans
BSBLED501A	Develop a workplace learning environment
BSBMGT502B	Manage people performance
